Sent on behalf of Interim President Dumont

Dear Campus Community,

I would like to update you on the search for the vice president and CEO of the Cal Poly, Solano Campus as well as the search for the Cal Poly Maritime Academy superintendent. We have partnered with the Korn Ferry consulting firm to begin both searches in early January 2025 culminating with identifying successful candidates in early June 2025.

The vice president and CEO search will be co-chaired by Allison Baird-James, Cal Poly's senior vice president for Administration and Finance and Angie Kraetsch, Cal Maritime's acting chief financial officer.

The superintendent search will be co-chaired by Dr. Damon Fleming, Cal Poly's dean of the Orfalea College of Business and Dr. Dinesh Pinisetty, Cal Maritime's executive dean of Academic Affairs and dean of the School of Engineering.

Search committees for both positions will be made up of constituents from both the Cal Poly and Cal Maritime campuses and will be finalized in the first week of January 2025.

Korn Ferry will conduct virtual stakeholder listening sessions in the second week of January 2025 with both campuses to gather feedback on the key qualities needed for successful candidates. More information on the listening sessions will be shared in the coming weeks.

Respectfully,

Mike

Michael J. Dumont, J.D.
