PIRATE ZOMBIE

Emergency Preparedness Scavenger Hunt

After being lost at sea for a very long time, Cal Maritime's first training ship finally returned home to campus. The campus community rushed to the shoreline to welcome her home, when they discovered it was crewed by pirate zombies. Since Cal Maritime is Standing Ready & Prepared, it's time to grab your emergency response gear. Whether you are a responder or a victim always make sure you "check in" at the designated assembly area.
