

Types of Growth Areas

Example: "I want to buy a fruits."

Knowledge Gap

Student does not understand articles as a whole, or the student does not know understand all of the rules of articles.

Generalizability Issue

Student know the rules of articles and can list many of them, but student struggles with the application of those rules to a sentence.

*** Mistake ***

Student can point out exactly what was wrong about the sentence and provides the correct answer as soon as you point out the error.
